- TFG services are an essential component to municipal revenue collection efforts

A NEW POCKET PARK IS COMING TO THE BOROUGH IN 2025!

The Raymond Ludwig Weinmann Sr. Memorial Park will be nestled between the Schuylkill River Trail and The Tomato Shack on the corner of Harry Street and Stoddard Avenue.

Weinmann Park will feature benches on a short pathway that cuts through the park, greenery (including bushes, shrubs, and small trees), and bike racks. With its proximity to the SEPTA Train Station and the Conshohocken Cab stop at The Birch, Weinmann Park will be an ideal spot to wait for your train or the Conshohocken Cab.

This will be the second pocket park in the Borough of Conshohocken, joining the Fritz Lodge Pocket Park that was completed in 2023. The pocket parks will help increase the walkability of the Borough and also preserve and enhance the Borough's green infrastructure.

A MESSAGE FROM THE MAYOR

One of the questions I am most frequently asked when I speak with Cub Scouts, Girl Scouts, Conshohocken Elementary students, and even many residents is, “What does a Mayor do? Aren’t you the boss?”

While our Borough Council members have specific duties set out in the Pennsylvania Borough Code—including attending Borough Council meetings, creating ordinances, and setting the budget each year--the position of Mayor is much more nebulous, with few legal requirements but many suggested roles (including attending Borough Council meetings!).

Here is a roundup of some of these roles and responsibilities. I would describe them less as being “the boss” and more as community engagement, public safety, and bringing fun and positivity to Conshohocken!

Supervision of the Conshohocken Police Department

One of the specific and most important roles in the Borough Code is overseeing the Conshohocken Police Department. This means regular check-ins and meetings with our Chief of Police, ensuring resident safety concerns reach the department, and advocating for safety measures, such as new stop signs, traffic lights, safety bollards, and road markings.

I also love attending community events with our officers, such as talking to students at Conshohocken Elementary, reading books at the Conshohocken Library, Drug Take Backs at Borough Hall, and our recent food drive at Weis.

Emergency Declarations

On my second day in office, I declared a Snow Emergency. I thought this would be a very regular duty, but in the years after, I have only issued two or three in total! A Snow Emergency ensures that Public Services is able to clear the roads during heavy snowstorms by restricting parking on a few key roads, such as Fayette Street.

I also signed Emergency Declarations during the pandemic and Hurricane Ida to ensure any resources we used during those events would be eligible for reimbursement from state and federal agencies.

Weddings

This is probably the most fun duty that I have! I love seeing couples that I have married all over town. I have married residents in many different circumstances, such as through glass mailroom doors during the pandemic, to 250+ in-person weddings, and everything

in between. The Borough offers council chambers (that big, beautiful glass room where council meetings are held) for free wedding services and at Mary Wood Park House or in one of the Borough parks for a small fee. As always, I charge no fees for my officiant services. For more information: conshohockenmayor.com/weddings.

Working with Borough Council

We are lucky to have seven dedicated public servants working for each ward and the Borough as a whole. In my role as Mayor, I bring council members ideas and concerns that I hear from you, my thoughts on items coming before them, and advocacy on public safety issues in particular.

This strong relationship culminated recently with our nationwide search for a new police chief where Council, myself, and our professional staff were able to vet dozens of candidates, interview, and finally hire Chief Lennon this past January, a true team effort.

Community Events

Planning community events is another one of my favorite mayoral duties. My wife and I organize the Conshohocken Arts Festival and Car Show on the first Saturday of every June and Conshy Strong Bingo in August, and I work with our police department to run regular events such as Community Document Shredding in the fall, Bike and Trail Safety classes, Hands-Only CPR, Identity Theft Protection, and Coffee with a Cop.

I encourage you to follow my social media and newsletter for those dates and details as they come up throughout the year, and even submit events so that I can help advertise to the community.

Please keep in touch by joining me on social media, reaching out via phone or email, subscribing to my newsletter, or stopping by during office hours.

I hope to see you in the Borough!

Yaniv

OFFICE OF THE BOROUGH MANAGER

- **Borough Manager: Stephanie Cecco**
- **Executive Assistant to the Borough Manager: Brittany Rogers**
- **Communications and Special Events Manager: Paul Gornowski**
- **Monday – Friday: 8:30 AM – 4:30 PM**

The Borough Manager is the Chief Administrative Officer of the Borough and is responsible to the Council for the administration of Borough affairs. All departments, offices, and agencies of the Borough are directed and supervised by the Borough Manager. She manages the day-to-day operations, administration, and execution of policies and objectives set by the Borough Council. This department also oversees Borough Boards & Commissions, Right to Know Requests, Communications, and Borough Special Events.

ADMINISTRATIVE SERVICES

- **Director of Administrative Services: Angela Metz**
- **Monday – Friday: 8:30 AM – 4:30 PM**

The Department of Administrative Services focuses on delivering quality, reliable, customer-oriented services to Borough residents. The Director of Administrative Services manages administrative and financial services; including human resources, and pension matters; finance records and transactions, insurance, and records management. This Department is also responsible for the administration of all insurances, coordination and upkeep of all benefit contracts, and managing constituent and customer services.

COMMUNITY DEVELOPMENT & FEDERAL GRANT PROGRAMS

- **Community Development Officer: Christine Stetler**
- **Monday- Friday: 8:30 AM – 4:30 PM**

The Community Development Officer oversees Conshohocken's Housing Rehabilitation Programs, which assists low and moderate-income homeowners in bringing their homes up to code conformance in order to enable more comfortable and safe living.

POLICE DEPARTMENT

- **Chief of Police: Dave Lennon**
- **Office Hours (non-emergencies) Monday – Friday: 8:00 AM – 4:00 PM**

The Conshohocken Police Department is committed to providing protection and services within the Borough on a 24-hour-a-day basis, with a strong emphasis on public safety and community awareness. The Police Department also hosts several community outreach initiatives to benefit Conshohocken residents.

RECREATION SERVICES

- **Director of Recreation Services: Lauren Irizarry**
- **Visit conshohockenrsp.recdesk.com for hours of operation and daily schedule of activities.**

The Recreation Services Department is responsible for the daily operations of the Community Center at the Fellowship House. It also provides a wide range of recreational activities, programs, events, fitness, and wellness opportunities for all ages. These activities are made available to the public at the Borough's many parks and recreational facilities.

OPERATIONS/PUBLIC SERVICES DEPARTMENT

- **Executive Director of Operations, Emergency Management Coordinator, BCO: Z Raymond Sokolowski**
- **Executive Assistant, Operations: Shauna Wylesol**

The Operations Department delivers community services through four divisions: Emergency Management, Fire Services, Licenses & Inspections and Public Services.

EMERGENCY MANAGEMENT

- **Emergency Management Coordinator: Z Raymond Sokolowski**
- **Monday – Friday: 8:30 AM – 4:30 PM**

Emergency Management develops and maintains the Borough's emergency operation plans and standard operating procedures.

FIRE SERVICES

- **Director of Fire Services: Timothy Gunning**
- **Monday – Friday: 8:30 AM – 4:30 PM**

Fire Services performs annual fire inspections on fire alarms, sprinkler, and suppression systems in commercial buildings throughout the Borough. Washington Fire Company No. 1 and Conshohocken Fire Company No. 2 provide volunteer firefighting services to Conshohocken Borough. Emergency Medical Services are provided by Narberth Ambulance, Medic 313.

LICENSES & INSPECTIONS

- **Director of Licenses and Inspections: Christopher Small**
- **Monday – Friday: 8:30 AM – 4:30 PM**

Licenses & Inspections is responsible for regulating various business activities through permits, licenses, certificates, and inspections to facilitate code enforcement and compliance, and decrease code violations.

PUBLIC SERVICES

- **Director of Public Services: Frank Perry**
- **Monday – Friday: 6:30 AM – 3:00 PM**

Public Works operates as four divisions: Buildings; Parks, Landscaping & Grounds; Sanitation and Recycling; and Streets. To learn more about what each division does, visit the Borough's website.

SUBDIVISION AND LAND DEVELOPMENT

- **Stephanie Cecco, Borough Manager**
- **Brittany Rogers, Executive Assistant to the Borough Manager**
- **Gilmore & Associates: Karen M. MacNair, P.E., Borough Engineer**
- **Monday – Friday: 8:30 AM – 4:30 PM**

Subdivision and Land Development ensures the orderly, efficient, and harmonious development of the Borough, including buildings, streets, and open space. In doing so, the Borough can plan for the needs of the community while safeguarding natural resources and historic places.

ZONING SERVICES

- **Allison Lee, PE, Zoning Officer (Pennoni)**
- **Office Hours: Tues 8:30AM – 12:30PM; Thurs 8:30AM – 12:30PM**
- **Brittany Rogers, Executive Assistant to the Borough Manager**

Zoning regulates development and helps implement the goals of our Comprehensive Plan. Particularly, zoning refers to the division of the Borough into various districts, in accordance with the official Zoning Map. Rules for each zoning district are outlined in the Zoning Ordinance.

Pet Waste, Know Where it Goes - Take Simple Steps to Reduce Stormwater Pollution!

Left behind pet waste is more than a nightmare for our shoes. There's another important reason to scoop the poop that isn't as well known: preventing pollution in our rivers! It might not seem like a stormwater problem, but pet waste is one of the many seemingly small sources of pollution that can add to big problems for water quality and even human health.

Pet waste doesn't just decompose. When pet waste is left on the ground, rainwater or melting snow breaks it down and washes it into storm drains or directly into the Plymouth Creek or Schuylkill River. This contaminated water contains disease-causing bacteria, which is unsafe for everyone and causes larger environmental issues. Pet waste increases algae blooms and excessive aquatic plant growth, which can rob the water of vital oxygen for fish and other animals to live.

How can you help?

- Carry a bag with you on every walk with your dog, and you'll have the equipment to remove your dog's waste. Then throw it in a trash can, and you're done! Even if you're using biodegradable bags, throw them in a trash can – when the bag breaks down, the waste is left behind, thus defeating the purpose of bagging the waste if not thrown in the trash. If you prefer not to use bags, you can use gloves, newspaper, or even a scooper to pick it up and flush unbagged pet waste down the toilet.
- It's also a good idea to pick up pet waste at home. Picking it up sooner rather than later will prevent it being carried off by rain or snow melt. Some diseases can be transmitted from pet

waste to humans through contact with the soil. Children playing outside and adults who garden are most at risk.

- It's important to properly dispose of the waste of dogs, cats, and other pets that eat meat. Waste from meat eaters should not be placed in a compost pile because parasites, bacteria, and viruses are not readily destroyed during the composting process and can be passed on to humans.
- Never throw pet waste into a storm drain.

It's important to keep in mind that the public storm sewer system does not get treated - anything that enters the Borough's storm sewer system will eventually reach the Plymouth Creek or Schuylkill River. In addition to picking up pet waste, some easy things you can do every day to help protect water quality include:

- Mulch lawn clippings back into the lawn to provide natural fertilizer
- Reduce the use of fertilizers and pesticides on lawns and gardens
- Keep leaves and grass out of storm drains
- Store and dispose of any hazardous products properly
- Place litter in trash receptacles

If you notice water flowing in the public storm sewer system during times of dry weather, this is a potential sign of a problem. Please report any concerns to Conshohocken Borough at 610-828-1092 or by using the reporting form on the Borough's Stormwater Management webpage:

<https://www.conshohockenpa.gov/departments/subdivision-land-development/stormwater-management/>

JOHN BROTHERS

AUTOMOTIVE

—The Automotive Authorities—

COMPLETE AUTO CARE CENTER • SPECIALTY VEHICLE SALES

610.828.0639 johnbrothersauto.com East 2nd Ave & Harry St. Conshohocken, PA

ZONING SERVICES

The rules for each zoning district are outlined in the Borough's Zoning Ordinance, which determines the specific land uses that are permitted in each district, such as residential, office, commercial, or industrial. The code also outlines the dimensional standards in each district, such as maximum building and impervious coverage, minimum building setbacks, and maximum building heights.

Zoning Permits

The Zoning Ordinance includes regulations governing off-street parking, patios, walkways, signs, fences, and accessory structures. Please note the above mentioned require zoning permits.

The application for a Zoning Permit can be found on the Borough's website, www.conshohockenpa.gov. The permit fee is a flat fee of \$50.00, and permits require two weeks to process for completed applications.

Zoning Hearing Board Applications

The Zoning Hearing Board conducts public hearings at the request of developers and residents seeking zoning relief from a provision of the Zoning Ordinance via variance or special exception. The Board meets when an application and/or zoning petition has been submitted with all applicable documentation and fees. The Zoning Hearing Board reviews applications on a case-by-case basis and makes determinations based on the Borough's Zoning Ordinance.

Meeting dates, changes, and/or cancellations are reflected on the Borough's website.

Adoption of the Fayette Street Overlay District (FCO) Ordinance

In 2023, Borough Council created a Main Street Overlay Task Force, comprised of elected officials, Borough staff, community members, and volunteers to review the Borough's Zoning Ordinance and make recommendations regarding amendments to effectuate the Borough's comprehensive plan and to encourage appropriate development/redevelopment of the Borough's Main Street Corridor, located along Fayette Street in the Borough. The Task Force recommended certain changes to the Borough's Zoning Ordinance and Zoning Map to create the FCO - Fayette Street Corridor Overlay District.

In February 2024, Borough Council adopted an ordinance that amended Chapter 27 of the Zoning Code by creating the Fayette Street Corridor Overlay District. The ordinance seeks to maintain the unique character along Fayette Street, while attracting new businesses and encouraging walkability in the Borough. The specific regulations proposed by the ordinance include:

- Various regulations to encourage dwelling units in combination with businesses as a mixed-use development.
- Provisions to provide incentives for the adaptive re-use of vacant, abandoned, or underutilized commercial properties.
- An update to parking regulations to ensure they are conducive to businesses and residents.

For other questions regarding Zoning, please email zoning@conshohockenpa.gov.

HOUSING REHABILITATION PROGRAM

Conshohocken's Housing Rehabilitation Program has existed for over four decades and has assisted hundreds of Conshohocken homeowners in bringing their homes into code conformance, enabling them to live more comfortably and safely. On average, the Program completes four (4) to seven (7) properties a year.

The Program can provide eligible single-family homeowners with numerous upgrades including, but not limited to, roof repair, window and door replacement, electrical upgrades, plumbing upgrades, kitchen upgrades, sidewalk repair, and handicap accessibility.

The Program is a four-year deferred loan program that forgives one-quarter of the loan amount each year.

If you are interested in obtaining more information about the Housing Rehabilitation Program, you may contact Christine M. Stetler, the Borough's Community Development Coordinator, or Nancy R. Nugent, the Program's Intake Coordinator.

If you are interested in applying for assistance, please complete the form below and return it to the Borough Office at:

Borough of Conshohocken, 400 Fayette Street, Suite 200, Conshohocken, PA 19428, Attn: Nancy R. Nugent

To be eligible for the Housing Rehabilitation Program, you must:

- Be below the following limits and would include salary, pension, Social Security, child support and interest on assets.

1-person household - \$64,250	5-person - \$91,750
2-person household - \$73,400	6-person - \$106,450
3-person household - \$82,000	7-person - \$113,800
4-person household - \$91,750	8-person - \$121,150

- Number of Persons in Household
- Be a resident of the Borough of Conshohocken;
- Own and occupy a single-family residence;
- Be current in taxes and sewer fees;

You cannot be an employee of the Borough of Conshohocken.

If you have questions or are interested in applying, contact Nancy Nugent at 610-246-3979.

POLICE SERVICES

CONSHOHOCKEN POLICE STATION: 400 Fayette Street, Suite 100 (1st floor), Conshohocken, PA 19428
Phone: (610) 828-4032 | **Fax:** (610) 828-5243 | **Emergency:** 911

The Colonial School District resumed classes earlier than normal this year, with the first day of school being Tuesday, August 27. Please be mindful of the active school zone and school buses. Whether you're walking or driving, share equal respect. Safety is everyone's responsibility.

Knowledge is key. Here are some laws that will help keep drivers and pedestrians safe:

- The driver must yield when a pedestrian crosses the street in a crosswalk.
- Drivers are not required to yield until a pedestrian begins to step into the crosswalk.
- Pedestrians should not walk or run unexpectedly into the path of a moving vehicle.
- Pedestrians should not assume drivers will see or yield. Look left, right, and left again before stepping out.
- It is illegal for drivers to pass a vehicle that is stopped for a pedestrian in a crosswalk, as the second driver may not see the pedestrian.
- When crossing the street at a signalized intersection, both pedestrians and motorists must obey the traffic-control devices.

Tips for Pedestrians:

- Cross only at crosswalks. Do not cross between parked cars.
- Look left, right, then left again, and keep looking.
- Wait for a gap in traffic, then step one foot off the curb or fully enter the crosswalk and make eye contact with the driver.
- Always obey traffic signs and signals. Be mindful of pedestrian countdown timers.

FEES FOR SERVICES

Police reports:	\$0.25 per page
Accident reports:.....	\$15.00
Tow release:.....	\$25.00 plus tow operator fee
Finger prints:.....	\$10.00 by appointment only

- See and be seen. Wear bright, reflective clothing.
- On streets with multiple lanes in each direction, be aware of what drivers in both near lanes are doing. If one driver allows you to cross, the other might not see you.

Tips for Motorists:

- Slow down when approaching a crosswalk or intersection. Watch for pedestrians and be prepared to yield to them.
- Yield to pedestrians in crosswalks—the law requires motorists to yield to pedestrians in crosswalks at signalized and non-signalized intersections.
- Travel at a prudent speed. Don't try to beat the light.
- Drivers on streets with multiple lanes in each direction should be aware that pedestrians may be crossing all lanes.

Upcoming Community Events

Every Thanksgiving, the Conshohocken Police Department, in conjunction with the Police Association, gives Thanksgiving dinners to families in need in our community. If you are a family in need, please contact us at 610-828-4032 before November 18. This giveaway is subject to availability.

During November and early December, the Conshohocken Police Department collects new, unwrapped toys for local families. If you would like to donate toys, please drop them off in the lobby of the Borough Administration building or look for our toy barrels around the Borough.

SUTCLIFFE PARK PROJECT UPDATE

As you can see, work is well underway at Sutcliffe Park. The project has two parts: the reconstruction of the walking trail and stormwater management.

The walking trail has existed at Sutcliffe Park since 1998 and is a popular park feature. Weather and use of the trail have made it necessary to redo the trail's surface. In addition to replacing the walking surface:

- A new walking loop will be added around the baseball field closest to the parking area, making a more level-accessible walking area for older adults and people with disabilities.
- New access trails at West 9th Avenue and Colwell Lane will be added.
- Drainage along the trail will be improved.

- New signs will be installed showing the lengths of the trail and its various sections.

In addition to Borough funding, trail reconstruction is supported with grants from the Pennsylvania Department of Conservation and Natural Resources Bureau of Recreation and Conservation and the Commonwealth Financing Authority Greenways, Trails, and Recreation Program.

The stormwater management project is designed to reduce the discharge of pollutants from the public storm sewer system in order to protect water quality, to address the Borough's requirements of the Clean Water Act and Pennsylvania Clean Streams Law.

Make sure to check the Borough website for updates about estimated completion dates.

FIRE SERVICES

The Fire Services Team works closely with Licensing & Inspections, Emergency Management, the Police Department, and Narberth Ambulance to further ensure the protection of life and property of our citizens, visitors, and businesses. The Borough of Conshohocken employs part-time firefighters and three full-time career firefighters, who also serve as the Borough's fire inspectors. Fire inspectors are tasked with performing annual inspections on fire alarms and fire protection systems in new and/or existing commercial buildings within the Borough of Conshohocken. State and local fire codes require that every business receive a regular fire inspection.

Fire Services for Conshohocken also consists of two volunteer fire stations, Washington Fire Company No. 1 and Conshohocken Fire Company No. 2. Both fire companies operate under station 55 and provide volunteer firefighting services to the Borough of Conshohocken.

Home & Fire Safety

The Conshohocken Fire Department has noticed an increase in electrical house fires due to misuse of power strips. It is important to use power strips correctly. Never use multiple extension cords in one outlet. Overloading outlets, circuits, and extension cords by plugging too many things into one area can cause an electrical fire.

Avoid potential fires by following these safety tips below:

- Check to ensure that all electrical cords are in good condition and are not broken or cut.
- Clean the lint from your dryer after every use.
- Check to see if all plug outlets are safe and do not feel warm when you touch them. If they are warm, call an electrician.

Free Smoke Detectors & Installation

Free smoke detectors are available to property owners and may be picked up at Borough Hall (400 Fayette Street, Suite 200, Conshohocken, PA 19428). Supplies are limited to three (3) smoke detectors per household. Residents requiring special accommodations may arrange to have their smoke detectors

Fire Captain

delivered and/or installed at no charge. Please contact the Fire Chief directly to arrange.

Carbon Monoxide Alarms

- Install carbon monoxide alarms on each level of your home.
- Make sure carbon monoxide alarms are less than 7 years old.

Fire Hydrant Clearance

Ensure firefighters have access to fire hydrants at any time of the year. Wintry weather can create fire safety hazards, such as ice or heavy snowfall that can obstruct fire hydrants. You can help reduce the risk by keeping fire hydrants accessible and clear of ice and snow.

Fire Prevention Education & Events

Fire Services offers a variety of educational opportunities and events to spread awareness about fire safety. Conshohocken's Fire Services Team provides on-site fire safety education year-round to the community at no cost. We encourage schools and businesses within the Borough of Conshohocken to contact the Fire Chief to learn more, or to schedule an onsite visit today! Conshohocken partners with Plymouth and Whitemarsh Townships to host the annual Colonial Fire Prevention Expo. The event is held in October during Fire Prevention Week and rotates each year among the Borough of Conshohocken, Plymouth, and Whitemarsh Townships. The night is full of fun, interactive and educational displays, including vehicle, water, and high angle rescue demonstrations. Event information is announced on the Borough's website under News and posted to the Borough's social media pages.

FRIENDS OF CONSHOHOCKEN PARKS

The Friends of Conshohocken Parks encourages you to start a habit of walking or running at the A-Field. The A-Field's public quarter-mile track offers a safe and convenient place for exercise enthusiasts of all ages.

The brick gate on the corner of 11th and Harry Street offers a throwback to A-Field's rich history. The A-Field has been the home of community events, fireworks, football, and more.

Walking or jogging on the track provides numerous health benefits, including:

- Improved cardiovascular health
- Enhanced mood and mental well-being
- Effective weight management

Best of all, there's no need to worry about cars or bikes, making it a perfect spot for uninterrupted walks or runs while listening to your favorite podcasts, audiobooks, or music. We'll see you out there, and feel free to bring a fitness friend.

The A-Field is open daily from 7 a.m. to dusk (aside from ticketed events on the field). Enter at 11th and Harry (brick gate) or 12th and Hallowell (next to the B-Field playground).

Interested in making a donation to the Friends of Conshohocken Parks? Please visit <https://conshohockenpa.gov/resources/friends-of-conshohocken-parks/>.

PUBLIC SERVICES

End of 2024/Start of 2025 Holiday Solid Waste & Recycle Collection Schedule

When a holiday falls on a Saturday or Sunday, it is observed on the following Monday. When your trash and recycling collection day falls on a holiday, your trash and recyclables will be collected on **Wednesday**, and yard waste will be picked up on **Thursday**.

LABOR DAY: Monday, September 2, 2024	CHRISTMAS DAY:Wednesday, December 25, 2024
COLUMBUS DAY:Monday, October 14, 2024	NEW YEAR'S DAY:Wednesday, January 1, 2025
VETERANS DAY: Monday, November 11, 2024	MARTIN LUTHER KING DAY: .. Monday, January 20, 2025
THANKSGIVING DAY:Thursday, November 28, 2024	PRESIDENT'S DAY:Monday, February 17, 2025
DAY AFTER THANKSGIVING:Friday, November 29, 2024	

Trash & Recycling Cart Updates

Borough-approved containers must be used for all residential trash and recycling unless other arrangements have been made and approved by the Public Services Department. Trash and recycling cans must have 2 wheels, a metal lip bar, and attached lid. Unapproved containers will be tagged for no future pickups until the residence comes into compliance.

Trash Collection Rules and Regulations

- There is a limit of four (4) cans/bags per household per pick-up (200 pounds maximum)
- Each can/bag is not to be heavier than 50 pounds.
- Needles, syringes, lances, and other sharp objects should be placed in a metal container with a secure lid so as not to be a hazard.
- Each household is permitted to dispose of one (1) large piece of furniture or bulk item per month with regular trash. This includes sofas, box springs, plastic siding, TVs and all electronics. All other bulk trash or bulk metal collection must be arranged through the Borough of Conshohocken by calling 610-828-1092.
- Please place your cans/bags at curbside on your property no earlier than 5:00 PM the night before and your cans must be removed from curbside no later than 7:00 PM the day of collection.
- No construction debris, carpet, clean-outs, or move-outs unless approved by the Licenses and Inspections Department. Please call 610-828-1092.

TRASH SCHEDULE

Monday – East Side
Tuesday – West Side

RECYCLING SCHEDULE

Monday – East Side
Tuesday – West Side

YARD WASTE SCHEDULE

Wednesday – Entire Borough

HOLIDAY MAKE-UP DAYS

Wednesday is the make-up day for Trash & Recycling if a Holiday falls on a Monday or Tuesday

Conshohocken Is Single Stream Recycling

Single stream recycling allows all your recyclable materials to be placed into one recycling container. The best part is you do not have to separate them! Hence, we get the term '**Single Stream Recycling**.' Residents will see trash trucks collecting recyclables. Rest assured recycled materials will go to the recycling facility, NOT the trash-to-steam plant. Recycling carts should be left out before 7:00 AM on collection day, at the front edge of your property or nominated collection point.

For information on proper disposal of hazardous household waste, please visit: <https://www.montcopa.org/637/Recycling-Information>

Yard Waste Collection Rules and Regulations

Yard waste stickers are available at the Borough office to convert your old blue recycle bin into a container for yard waste disposal.

All residents must participate in the Borough's recycling programs by separating their recyclable material from their regular trash. Yard waste is recyclable; therefore, the separation and collection of this material is mandated by the Commonwealth of Pennsylvania and Conshohocken Borough.

- Weeds, leaves, brush, and plants should be placed in biodegradable paper composting bags. Please, no trash in these bags.
- Each bag should not be heavier than 50 pounds.
- Tree branches under five (5") in diameter, not exceeding five (5') in length, are to be securely tied into bundles and should not be heavier than 50 pounds.
- Christmas trees. No decorations, tree stands or plastic tree bags.
- Please place your bags, and/or bundles at curbside on your property no earlier than 5:00 PM the night before.

Christmas Tree Recycling

Public Works collects Christmas trees each year following the holiday. Christmas trees should be placed curbside the Tuesday before yard waste collection. The trees are collected, chipped, and composted. All tree bags, ornaments, lights, and stands must be removed.

Snow Removal

Efficient snow removal helps ensure the safety of our residents, visitors, and those traveling through the Borough. When it snows, Public Services makes every effort to clear all Borough and state roads within six (6) to 10 hours after snow has stopped falling. Public Services utilizes a snow management plan that consists of pre-treating roads with a brine solution and plowing during and after a snowstorm. Please refrain from parking on the street if you have off-street parking available.

Plowing

Residents with off street parking should refrain from parking on the street so that Public Services can clear more of the road. Cones, lawn chairs or other objects used to reserve parking spaces during a snowstorm are prohibited. Public Services will not stop plowing to remove objects used to reserve parking spaces.

State and Local Roads

Public Services is responsible for plowing all local and state (PennDOT) owned roads, including the Matsonford Bridge and train station cross walks within the Borough of Conshohocken. SEPTA is responsible for clearing snow from the train station and all steps and/or staircases accessing the train station

Declared Snow Emergency

When the Mayor declares a snow emergency, residents are required to remove their vehicles from any of the Snow Emergency Routes designated below. During a declared snow emergency parking is restricted in these areas and vehicles may be towed.

Snow Emergency Routes

- Fayette Street, both sides from the Conshohocken Borough line to the bridge.
- The south side of Freedley Street from 12th to 11th Avenues.
- Poplar Street from Elm Street to Washington Street.
- East First Ave. (Harry Street to Fayette Street)
- West First Ave. (Fayette Street to Forrest Street)

Snow Removal Reminders for Residents

- Residents should clear their sidewalks after plowing has been completed.
- ***It is illegal to shovel, throw or plow snow from sidewalks onto street parking, driveways, allies and into the street or right-of-way.***
- Please use caution while shoveling heavy, deep snow from your property.
- A 3-foot-wide path on the sidewalk must be cleared on your property within 24 hours after the snow has stopped. Don't forget your crosswalks, handicapped ramps, and alley crossing. The Borough does not plow snow in alleys.
- Dumping snow or ice on Borough property or plowing snow across a street is also prohibited.

ENVIRONMENTAL ADVISORY COUNCIL

The Conshohocken Environmental Advisory Council (EAC) is a group of environmentally-conscious community members that promotes sustainability and green practices throughout the Borough through education and events.

For almost a decade, the EAC has hosted Spring and Autumn Community Clean-Ups to help keep our streets looking great while preventing trash from entering stormwater drains and the Schuylkill River. These clean-ups are an excellent way for local families, businesses, churches, sports teams, and other organizations to volunteer together for a good cause that directly impacts where we live. For clean-ups, volunteers are provided the essentials: bags, gloves, and snacks! Keep an eye out for a Community Clean-Up in your part of town.

The EAC also hosts its annual Conshy Greenfest for children and adults to learn about the environmentally friendly practices happening locally. Attendees learn about the many steps the Borough has taken to improve sustainability, protect green open space, and move towards Ready for 100 - a vision of a community powered with 100% clean, renewable energy.

The event is filled with activities that educate children on everything from gardening to global warming. This year's event included an Environmental Art Competition for students from Conshohocken Elementary. The grand prize winner rode away with a brand-new bike! IKEA was on-site to discuss and display their move toward using sustainable materials in their furniture. REI showed families how to get out and around the modern way with a camping display and free rides on electric bikes.

The EAC holds meetings on the 3rd Thursday of each month at 7 p.m. in Borough Hall. The public is invited to attend these meetings to learn about current initiatives and discuss local environmental topics. If you or your group would like to get involved with any of the EAC's volunteer events, email GreenConshohocken@gmail.com for more information.

LICENSES & INSPECTIONS

Licenses & Inspections is responsible for the administration and enforcement of Borough ordinances, along with Federal and State building codes. These ordinances may pertain to building, zoning, land development, housing, and property maintenance.

It also responds to citizen complaints concerning property maintenance (lawn maintenance, snow removal, etc.); construction project inspections; apartment inspections; curb and sidewalk inspections, and applications regarding building projects. Licenses & Inspections issues permits for Use and Occupancy, repairs, replacements, additions, and new installations of boilers, roofs, etc.

Licenses & Inspections works closely with the Police Department and the Borough's Fire Marshal in the resolution of health and safety issues as well as residential nuisance complaints on a day-to-day basis.

CONSHOHOCKEN FREE LIBRARY

Library Board Members: Brian Butch Coll - President • Ned Stern - Vice President • Mario D'Achille - Treasurer
Jennifer McCracken- Secretary • Binne Bianco • Bryan Collins • Eric Heal • Kathy McCarthy • Bob Moore • Kevin Olkowski
Johnny Pasquarello • Alice Marie Schwartz • Dr. Dennis Yankosky

The Conshohocken Free Library is a nonprofit 501(c)(3) organization. The library's building was originally constructed as a home in 1857 by Lewis Lukens, who "contributed greatly to the commercial, cultural, and civic life of Conshohocken." After his death, his grandchildren gave the house to the Borough of Conshohocken to be used as a library. As their grandfather before them, Lukens' descendants paid it forward to the community, giving them a permanent location to provide opportunities to fulfill the current library mission of providing "lifelong learning for all ages."

Today, the building is the responsibility of the community. We own it and are responsible for its upkeep, which includes routine maintenance, repairs, and improvements. Those decisions are made by the library's advisory board (a group of volunteers listed above), who donate their time and energy to guide decisions on maintaining the building and raise funds to support those efforts. There are many other ways community members can support the library.

Joining the Friends of the Conshohocken Library is a way to help fundraise for library programs and provide input on those needs. The library's used book sale is the main fundraiser for the Friends, and it is all volunteer run. The library could not accept used book donations without the work of the Friends! They meet September through May, usually on the fourth Wednesday of the month. Exact dates can be found on their Facebook page or by emailing friends.conshohocken.library@gmail.com.

The Friends of the Conshohocken Free Library are always looking for new members.

Last spring, the library launched a Bonfire apparel store with items for all ages. All designs are created by staff here at the library. Nothing makes the staff at the circulation desk happier than seeing someone walk through the library entrance in one of our shirts! You can keep warm this fall and winter with one of our sweatshirts, showing your library love in style. See details in article image.

Many community members enjoyed our murder mystery fundraiser last fall, which raised over \$3,000. We look forward to planning another fun event this October or November. Keep an eye on our website and social media for exact dates and details. Tickets sold out very quickly last year!

Any way you donate helps to keep our building a library. Donations can be made in person at the library or online through our PayPal and Square accounts. Check our website for more details on online donations. Help keep the library standing for future generations to enjoy lifelong learning opportunities. Thank you for your generosity!

Holly Holst - Branch Manager

EMERGENCY MANAGEMENT

Emergency Management supports the development and implementation of the Borough of Conshohocken's emergency operation plans and standard operating procedures in large-scale incidents and events. Emergency Management exists to support our first responders and all emergency personnel. The department consists of Police, Fire, EMS, Borough Administration, and Public Services personnel, in combination with our Borough Council.

Our biggest overall objective is to prepare the community for large-scale emergency situations.

Emergency preparedness can start with you. Disasters can strike without warning, forcing you to go for days without necessities or to evacuate your home. Relief workers will be on-scene following a disaster but may not be able to reach you immediately.

Creating a plan and knowing the steps to take during a disaster can greatly reduce the danger and distress your family may face. Your emergency plan should accommodate any unique needs related to family, pets, infants, children, and any family members with health, disability, or mobility concerns.

If there is an emergency in our area, you might not be able to get food, water, and other necessities you need. That is why a key action for preparedness is to make an emergency supply kit and keep it readily available in your home.

The Borough of Conshohocken has an Emergency Preparedness Guide to assist you in creating your Emergency Plan. This can be found on our website under Departments | Emergency Management. Here you will also find the link to sign up for the Borough's Emergency Alert System, CodeRED, as well as the link to monitor the USGS Flood Gauge on the Matsonford Bridge.

For more information, please visit our website, www.conshohockenpa.gov, or contact our Emergency Management team at (610) 828-1092 x102.

Pickleball

Wednesdays & Fridays, 9:00 a.m.-12:00 p.m.
Call for availability on other days.
Members: Free | Residents: \$2 | Non-Members: \$3

Pickleball Clinics

New to pickleball? Beginner and Intermediate classes will be offered this fall in partnership with Universal Rackets. Check the Fall/Winter Recreation Services Guide for more information.

PicklePaloosa

Gear up for an unforgettable day at Conshocken's PicklePaloosa event! Whether you're a seasoned player or new to the game, this is the perfect opportunity to socialize, have fun, and play pickleball. PicklePaloosa will feature a variety of games and point play, providing the ideal platform to test your abilities and compete against other players. Grab your friends and join us for a day of pickleball fun at Conshocken's PicklePaloosa. We can't wait to see you there! Check the Fall/Winter Recreation Services Guide for session dates and times.

Infant CPR Training

Infant CPR training will give individuals the skills necessary to prevent, recognize, and provide basic care for emergencies in infants until advanced medical personnel arrive. This is a noncertification class led by Anthony Wiencek of Emergency Training Partners. Check the Fall/Winter Recreation Services Guide for session dates and times.

Line Dance Fusion

Description: If you haven't noticed yet...Line Dance is back, and it's energized! It's varied and inclusive, which means you learn all kinds of dance moves to a large variety of music. What an excellent way to get the physical, mental, and social benefits of solo dancing! It's appropriate for all levels, from those new to dance to experienced dancers. Check the Fall/Winter Recreation Services Guide for session dates and times.

Art Classes

We are proud to partner with the Conshohocken Art League this fall to offer adult classes. Classes will include Independent Studies, Basic Skills, Japanese Art Workshops, and Figure Drawing. Check the Fall/Winter Recreation Services Guide for session dates and times.

Colombian Salsa Series

Also known as Salsa Caleña, it is a popular dance and music style that originated in Cali, Colombia, during the 1960s-70s. While it does share similarities with other salsa styles, such as Cuban and New York styles, it has distinct characteristics that set it apart. Colombian salsa dance style is characterized by its energetic, fluid movements and fast-paced and intricate footwork. We will be learning the basic structure and fundamentals of sounds and beats & footwork. Be ready for a high-energy environment to get us moving on the dance floor. Check the Fall/Winter Recreation Services Guide for session dates and times.

PROGRAMMING - YOUTH

Tiny Tots Open Play

- Wednesdays beginning September 11, 2024
- Ages: Crawler – 3 years old
- 10:00 a.m. – 2:00 p.m.
- Members: Free | Non-Members: \$5

YOUTH ACTIVITIES– FALL/WINTER 2024-25

Below is a list of fall and winter programs that the Recreation Services Department will be offering. **For full program details including location, price, time, age group, and min/max enrollment, please visit us at <http://conshohockenrsp.recdesk.com> or check our Fall/Winter Recreation Services Guide.** Our friendly front desk staff is also happy to assist you with registration or any questions about our facilities and programs.

Art Classes with Conshohocken Art League	Paint & Play (Ages 1.5-5)
Basketball Clinics w/ Moore Bros. Basketball (Ages 5-11)	Purposeful Play (Ages 6 months-4)
Conshohocken Baseball & Softball Clinic (Ages 5-13)	School's Out Days (K-6 Grades)
First Notes (Ages 0-4)	Skyhawks Sports Academy (Ages 3-12)
Gymnastics with Reflex Sports (Ages 1-7)	Soccer Shots (Ages 2-8)

*Note: Programs will only run if the minimum enrollment figure is satisfied. **Register today so that these fun and exciting programs are not canceled.** Cancellations will occur 5 days prior to the scheduled start date if applicable. A full refund will only be given when the Borough of Conshohocken cancels a program. A refund request made at least five (5) business days prior to the program beginning, will receive a refund less 5%. No refunds will otherwise be given. Refunds may take up to thirty (30) business days to process. Cash, credit, check or money orders are accepted. Register online or in-person and pay at the Community Center at the Fel. There will be a 2.65% charge on all credit card transactions. Dates may be subject to change.*

Summer Camp

The Borough of Conshohocken Summer Day Camp will be entering its 7th year! Designed for campers ages 6-12 years old, the Conshohocken Summer Day Camp engages campers in a wide variety of recreational activities. Campers will participate in weekly field trips, swimming, arts and crafts, traditional camp games, and more during the nine one-week sessions! Camp is housed at the Community Center at the Fellowship House, which features a recreational facility and an outdoor play area at Mary Wood Park. Regular camp hours are from 9 a.m.- 4 p.m., with an option for extended days available with registration.

2025 Camp Dates: June 16 – August 15

Registration will open on January 7, 2025. Register before March 1 for an early bird discount. Call to inquire about our payment plan option..

2024 CONSHOHOCKEN FUNFEST

Join the Borough of Conshohocken on Saturday, September 21, 2024, at noon on Fayette Street for an incredible event!

Experience the vibrant energy as bands take the stage on First Avenue, explore the variety of vendors on Second and Third Avenues, and indulge in delicious treats from food trucks while the kids have a blast in the dedicated children's area on Fourth and Fifth Avenues. It will be a day filled with music, shopping, delicious food, and endless fun for the whole family.

Mark your calendars and get ready to make unforgettable memories!
